

YOU can become a National Weather Service

WEATHER SPOTTER!

Attend one of these 2-hour sessions, and **YOU** can become a Certified Skywarn Spotter!

Learn how to report hazardous weather conditions to the NWS, which include:

- **TORNADOES**
- **SEVERE THUNDERSTORMS**
- **LARGE HAIL**
- **HIGH WINDS**
- **FLOODING**
- **WATER SPOUTS**

and any weather related damage.

NWS encourages anyone with an interest in public service and access to communication, such as HAM radio, to join the SKYWARN® program. Volunteers include police and fire personnel, dispatchers, EMS workers, public utility workers and other concerned private citizens. Individuals affiliated with hospitals, schools, churches, nursing homes or who have a responsibility for protecting others are also encouraged to become a spotter.

NOAA Meteorologist Anthony Reynes from Oahu will be teaching the classes.

Friday Nov. 6: 6-8PM **Kahului**

Saturday Nov. 7: 10AM-Noon **Kihei**

Saturday Nov. 7: 2-4PM **Pukalani**
